Métodos iterativos

- Jairo Angulo
- Richard Tipantiza

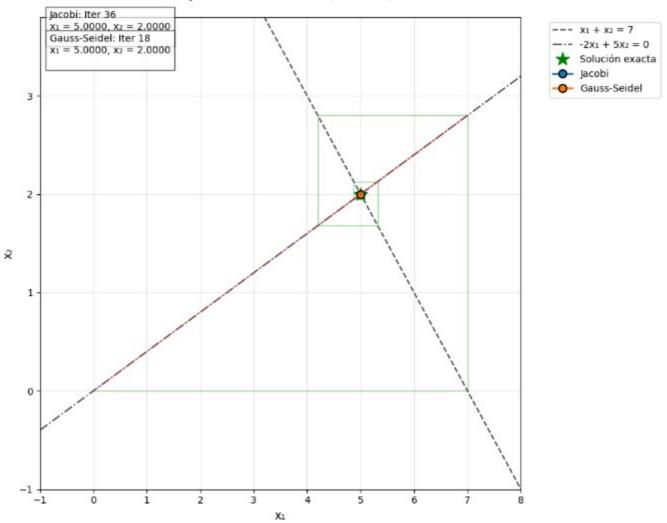

Grafique la trayectoria de los siguientes sistemas de ecuaciones Ejercicio 1:

$$\begin{array}{l} x_1 + x_2 = 7 \\ -2x_1 + 5x_2 = 0 \end{array}$$

- $X_0 = (0,0)$
- $X_0 = (5,2)$

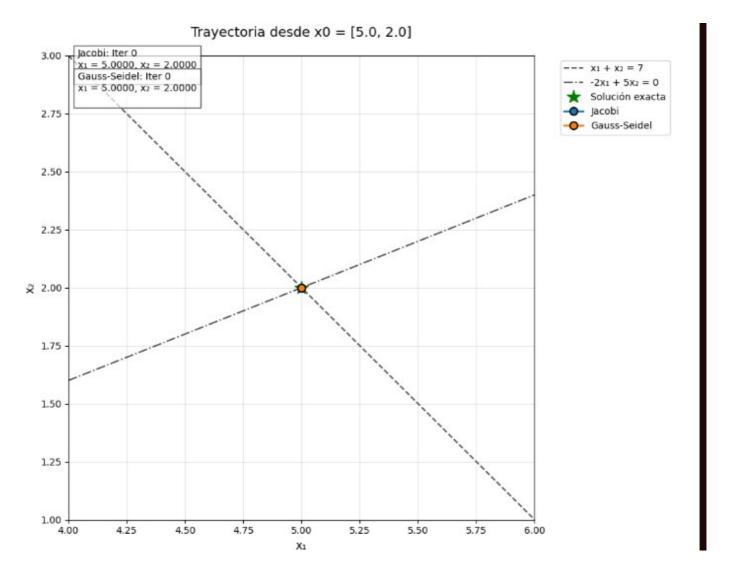

1) (0, 0)

Trayectoria desde x0 = [0.0, 0.0]

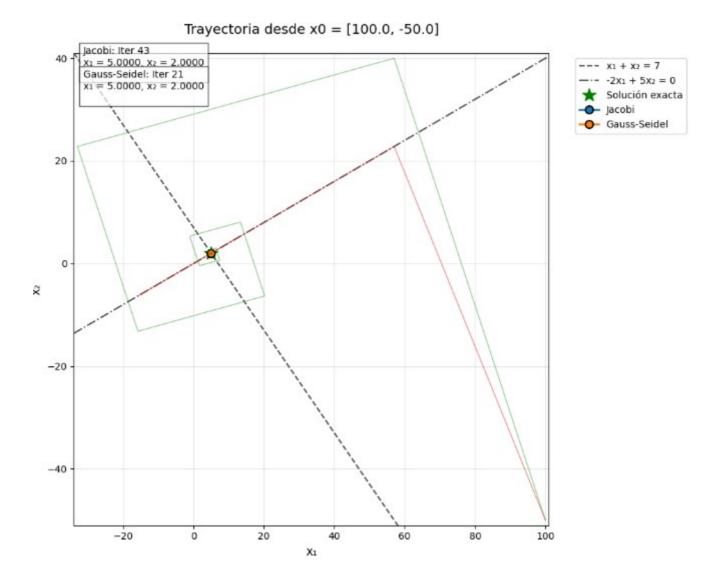

2) (5, 2)

README.md 2025-07-16

3) (100, -50)

README.md 2025-07-16

Ejercicio 2:

$$\begin{array}{l} x_1 + x_2 = 6 \\ -2x_1 + x_2 = 0 \end{array}$$
